

Sight Words Flashcard Sheet

Cut out each card and practise recognizing words on sight — no sounding out needed!

How to use these cards:

- Cut along the dotted lines to make individual flashcards.
- Show each card for 2 seconds — the goal is instant recognition.
- Celebrate every correct answer with specific praise: 'Great job reading THAT!'
- Practise 5–10 cards per session — short and regular beats long and rare.
- Once a word is mastered, move it to the 'I know this!' pile.
